

### Appliance Checklist

#### Appliance dimensions

Old unit      H \_\_\_\_\_ x W \_\_\_\_\_ x D \_\_\_\_\_

New unit      H \_\_\_\_\_ x W \_\_\_\_\_ x D \_\_\_\_\_

Opening      H \_\_\_\_\_ x W \_\_\_\_\_ x D \_\_\_\_\_

#### Electric or Gas hookups

##### The three C's of an appliance:

Construction — How is the unit built?

Capacity — What is the capacity?

Conservation — Is it energy efficient?

**Will you need delivery of your new appliance?**

**What type of installation will be needed?**

**Will you need any additional parts for your installation?**

**Will your old appliance need to be moved or hauled away?**

**What width are your doorway openings in your home?**
